Wired for Impact

ABOUT VIT

Vellore Institute of Technology (VIT) is a premier higher education institution recognized as an Institution of Eminence by the Government of India. Consistently ranked among the top engineering universities nationally and top 700 globally (QS World University Rankings), VIT serves as a hub for cutting-edge technology and innovation.

Home to a vibrant community of over 35,000 students across diverse tech disciplines, VIT produces top-tier engineering talent. Partnering with our hackathon provides sponsors direct access to a highly skilled, ambitious pool of developers, innovators, and future tech leaders.

ABOUT IEEE SSIT

One of the most reputed and distinguished technical chapters at VIT Vellore, we have been working with vision and determination since our inception in 2017, aspiring to advance sustainable technology as both a science and a profession.

As a student-centric, technology driven, and research oriented body, we are more than just an organization we are a family united by a shared purpose. Inspired by our parent organization, the Institute of Electrical and Electronics Engineers (IEEE), we strive to make technology more accessible and impactful.

ABOUT CODE⁴CHANGE

Code4Change 4.0 returns as IEEE-SSIT's premier Hackathon-Ideathon flagship at VIT. Built on a proven legacy of 1,500+ participants, 500+ project submissions, and 300+ competing teams, our 4th edition is engineered to push boundaries—scaling past every previous record in talent, reach, and technological innovation.

Designed to solve critical real-world challenges through cutting-edge software development, algorithm design, and system optimization, Code4Change 4.0 executes across three high-intensity stages: Ideathon, Hackathon, and Shark Tank.
